

# RS TOPAS

A nitrile glove with cotton lining provides resistance to fats, oils and water and high comfort during general assembly working and working when very high accuracy is required.

LEICHTINDUSTRIE

nitrile  
resistance to fats,  
oils and water

R-HyTriX  
high class of rubbing  
resistance

gloves' sizing  
allows you to choose the  
perfect size for your hand

cotton comfort  
sweat absorption and  
density of the stitching

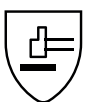

Over-Tech system  
increased the durability of  
the nitrile coating in  
response to optimal price

Sanitized Actifresh®  
preventing the growth of  
fungi and bacteria in the  
glove

A soft ribbed wrist  
keeps the glove in a  
proper position on the  
wrist and doesn't not  
affect blood circulation in  
your hand
