

# RS ULTRA TEC GREY

ULTRA TEC GREY is a glove woven of soft white nylon fiber, gripping part of the glove is coated with polyurethane. The glove is dustless and through the application of advanced technology formula WaterPU is created without the use of silicones and leaves no residue on the surface, even on glass.

The glove is dustless  
Each pair of gloves  
is packed  
in a separate  
sealed small bag

WaterPU technology  
created without the  
use of silicones

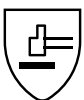

the proper structure of the  
palm coating  
the glove provides  
a secure grip

gloves' sizing  
allows you to choose the  
right size for your hand so  
as to ensure working in  
comfort

Non tight ribbed wrist  
keeps the glove in a  
proper position on the  
wrist
