

RS HEAVY

HEAVY glove is the highest quality standard for split gloves, because only certain thickness split leather from the back part of the hide is used for its production.

SCHWERINDUSTRIE

cow split leather work glove
strengthening the glove
- only certain thickness
split leather from the back
part of the hide is
used for its production

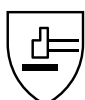

the elasticsation on the
upper side of the glove
keeps the glove in a proper
position on the wrist

cotton comfort and natural
materials
allows the skin to breathe
freely

the strong threads and
triple seams
extend the life of the glove
